FAQs & Packing Suggestions

Q: What is the Autumn Adventure Weekend?

A: The 2006 Autumn Adventure Weekend is a fundraising event sponsored by the e-Rotaract Club of Rotary Dist. 7490. Our "Networked Service Organization" is raising funds to benefit youth service initiatives in Bergen, Hudson, and Passaic counties. In return for the fees collected we will offer a weekend of outdoor fun, relaxation, challenge, food and fellowship. Family, friends, and especially groups and teams of your peers are welcome to attend.

Q: Who can come to Autumn Adventure Weekend?

A: The short answer is - anyone! Whether participants are looking for an active weekend of adventure, or simply a weekend away from the stress of work with no activity at all, Camp Bryn Mawr can offer either one - or something in between. Our skilled staff can execute customized teambuilding if required as well. There will be activities for all ages and physical abilities. If you have ideas just ask! Attendees under age 18 must have a parent or guardian with them.

Q: What accommodations are available?

A: Guests will be staying in camp cabins for the duration of the weekend. Cabins can be reserved for groups of 10 or more. Any group of less than 10 may be combined with another group, depending on cabin availability. Cabins have full bathrooms and electricity; however the bathrooms are shared within each cabin.

Q: What if I don't want to sleep over?

A: You are welcome to investigate local options such as hotels and B&B's. However, the fee cannot be reduced. Cabins have full bathrooms and electricity. Guests must provide linens and sleeping bags are highly recommended with extra blankets as it can get cold during the night.

Q: Where is Lake Bryn Mawr Camp?

A: North Eastern Pennsylvania, about 2.5 hours from NYC. Directions are available at <http://www.brynmawrmountain.com>.
